

# THE "PIKER'S" WIFE—LOOK AT THIS AND THINK IT OVER—BY CARTER

## Hearing on Vital Point in Eddy Suit Held Without Fray

CONCORD, N. H., Aug. 12.—Concord is crowded today with visitors, who have come to attend the first public hearing in the famous Eddy case. The proceedings of today before the master, appointed by the court to determine Mrs. Eddy's competency to manage her business affairs, attracted the attention of Christian Scientists and others who have come from distant points to be present at the hearing. It became known this morning that Calvin A. Fry will not be a witness at the hearing today.

All the lawyers before whom the hearing will be held have been here. They are Judge Parker, George E. F. Fry, and former Congressman Horace V. Parker.

The greatest interest in the case now rests among the Christian Scientists here.

**Case May Fall to Ground.**

This case has long been decided in the minds of Christian Scientists, and one of the right ones at that. There is only one right side to it, and we believe the right side will prevail.

"We are anxious that this question of competency should be decided in one day and before it will be decided by the court that Mrs. Eddy is fully competent to conduct her business affairs, a fact of which all who know her are confident. The hearing beginning today of which we have heard here is a matter of the utmost importance to her and to the cause."

Money is plenty at Saratoga. "Also there are fine clothes, diamonds, horses, automobiles, yachts. Somebody has to supply the money for all these. The 'Piker' is the man who pays."

The "Piker's" wife and children and those who depend upon him suffer. No wonder the cooked horse owners, the rich jockey club and the crowd of criminals laugh and grow fat at Saratoga.

## GALVIN CALLS CONCORD JAIL A PURGATORY

Many Leaders Arrive.

Already many of the leaders in the church are here. In the morning of the public hearing arrived last night were the Rev. W. F. May of Boston and Albert E. Miller of Philadelphia. Mr. Henry M. Baker, chairman of the board of trustees of the Boston Christian Science Society, arrived yesterday afternoon. It being the first appearance since the hearing at which the plaintiff was present, and he is expected to be the "next friend" of Mrs. Eddy.

This being a matter in which the defendants are the wife and child, the interest of the court will be to see that the plaintiff is not unfairly treated. It will therefore be a matter of the utmost importance to the cause and to the church.
